Re: Michael D. Cochnauer

Department of Human Services indicated because of age they would not investigate.

Family has decided not to file charges and no charges have been filed or are pending at this time.

He was in foster care at the time of the incident and has been relocated either to another foster family or back to his family.

Dear Myron:

I appreciate the material that was recently sent to us concerning the above named individual. This is most helpful to us in starting a file.

The only additional information we now need is whether or not there are going to be charges filed. If so, we would like to have information concerning that and, also, the outcome once the situation has been completed.

Thanks for your help and the answer to this particular question.

Sincerely,

Paul Ernst, Director

I, Mike Beckham, was informed upon arrival in Tyler on 1/29/90 by Myron Rosebrook, of a potential child abuse in Troop 209, Marshall. William Plunkett, Scoutmaster, had called the council office to report the offense.

I called Mr. Plunkett to confirm and gather information. Bill told me that [REDACTED] of Troop 209 reported to his parents over the past weekend that while at a Caddo District Camporee on Sept. 22-23, 1989, he was forced to lick the penis of Michael D. Cochnauer, age 17 at the time.

Two other youth, [REDACTED] SPL, and [REDACTED] were present in the tent, [REDACTED] said.

After gathering information I related it to Mark Anderson and Myron Rosebrook to start the necessary action.

I returned a call to Bill Plunkett to assure our willingness to properly handle this matter. Mark Anderson was present.

I called the father, [REDACTED]. He said he had talked to [REDACTED] Foster Father of Michael Cochnauer, to discuss the matter. [REDACTED] was willing to follow B.S.A. policy to handle the matter. I informed him at 5:00 PM on Jan. 29, 1990 that Myron Rosebrook would contact him by phone at home.

[REDACTED]

Dear Mr. Cochnauer:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Jim Borgerding
Council President
